Concert Association Presents Dance Team In First Program on Oct. 20

PEGGY FOSTER

The Milledgeville Concert Association will present its first program of the season on October 20. At 8 P.M. in Russell Auditorium, Lucas Hoving and Lavina Nielsen, a modern dance team, will appear as guest performers. The concert is presented under the auspices of Arts Program Association of American Colleges.

Mr. Hoving and Miss Nielsen will present a program full of interest and variety. The presentation will range from the tragedy of Sophocles' "Electra" to the drama of "Perilous Flight" and the comedy of "Satyros."

Mr. Hoving is a native of Holland but is now an American citizen. He came to America to work under Martha Graham and Louis Horst. He also performed with the Jooss Ballet and Valerie Bettis Company. In addition to this, Mr. Hoving has appeared on Broadway in such hits as "Bloomer Girl," "Rape of Lucretia," and "Beggar's Holliday." For eight years he has performed in the Annual Dance Festival at Connecticut College.

Miss Nielsen is a graduate of the University of Wisconsin. After her graduation, she studied in Europe. Miss Nielsen returned to America where she has worked Psi Omega, GSCW's chapter of the with Martha Graham, Louis Horst, National Honorary Dramatics Fraand Doris Humphrey. Three Jessie Freshmen Gain Top Awards for Homemaking Projects

By Jo Carol Knight

Three Jessie Freshmen brought home top honors from the 13th Annual 4-H Club Congress held in Atlanta last week. Jerry Dunahoo placed first in "Clothing Achievement" while Saralyn Trawick copped the No. 1 spot in "Cotton and its Uses." Jane Du-Vall walked away with the "Atlanta - Journal" \$500 scholarship.

All girls spent much time and effort in preparing to enter the State Meet. Jerry has kept records on all clothing projects for the past ten years. She has complet-

ed five hundred garments and DuVALL given approximately twenty-one demonstrations to 4-H and Womens' Clubs throughout Georgia. In

addition, she has arranged various window displays and exhibited many of her clothing projects in fairs. Saralyn, too, has kept records of her 4-H projects for many years. Last year she gave a knitting demonstration at the State Meet. She has exhibited her handiwork in State Fairs and window displays also. Jane won the award of excellence for her breadmaking demonstration at the Congress last

Language Society Holds Fall Meeting At Alumnae House

Martha Faircloth

Our college was hostess to the Classical and Modern Language Association of Georgia, Saturday, October 8.

The meeting was a tremendous success with language teachers attending from all parts of the state as representative of Georgia's universities, colleges, elementary and high schools.

Dr. Howard Jordan, University of Georgia, was in charge of the French program during the morning meeting. The program was a panel discussion of "Requisites in the High School."

At one o'clock, the meeting adjourned to the senior dining hall for luncheon and a business meeting. Miss Gloria Vicedomini, president of the association, presided.

At luncheon, Dr. Stanford welcomed the members on behalf of the college and thrilled everyone, by delivering his freeting in French, German, and English! It was the first time an administrator had ever welcomed them in any language other than in English. The members showed their appreciation for his thoughtfulness by their spontaneous ap-

The high light of the business meeting was Mr. Mongiafico's report on the tests to be given in all Georgia high schools. They are to be administered to all French, Spanish, and Latin pupils. The winners will receive metals and the schools will receive plaques. Dr. Bruce Gordon, of the University of Emory, was in charge of the Spanish program in the afternoon. The program was three Latin conducted by guests who are studying and teaching in the States. Senorita Margarita de La Parra of Mexico

showed picturesque slides of the University of Mexico. Senor Zep-Zepeda Casetillo of Nicaragua delivered an interesting speech at least 50 participation points are about his country. Senora de Leon Ordega delighted everyone by her singing and guitar playing of Mexican songs.

In concluding the meeting, the members enjoyed tea at the Mansion as the guests of President and Mrs. Stanford.

YWCA Chooses Rev. W. R. Mill As Guest Speaker

TINI KUSUMADILAGA

Cooper, Laughton **Star In Coming Saturday Cinema**

By Mary Lott Walker

"Ruggles of Red Gap" is the attraction at the Saturday Cinema at half past seven on October 15. Then on October 22, "Sergeant per walk. The cakes for this walk York" will be the feature shown will be donated by some of the at Russell Auditorium.

Starring in the film, "Ruggles of Red Gap," are Charles Laughton, Mary Boland, Charles Ruggles, and Zazu Pitts.

This is a jolly picture with plenty of sound nonsense in the story and the people. Charles Laughton, playing the role of a British valet, is sold by his master to some newly rich Americans. He follows them out to the mining crudities of Red Gap, much to his pride and dignity. He recites the Gettysburg Address before a crowd in a saloon when somebody mentioned it. Most of the people there remembered what was done at Gettysberg, but they could not recall what was said there.

Gary Cooper, portraying Sergeant Alvin York, stars in "Sergeant York." Co-starring with him are Joan Leslie (his sweetheart, Gracie Williams), Margaret Wycherly (Mother York) and Walter

Brennan (Pastor Rosier Pile). "Sergeant York" is a story of a good-natured, gangling, young hillbilly from the Cumberland Mountains in Tennessee, and how he came to fight for his country during World War 1. This picture depicts the courageousness of York when he single-handedly extinguished twenty German machine-gunners. This exploit gave him the distinction of being the most decorated hero of World War

Psychology Club **Picnics**

After supper, the group gathered for a short business meeting at which plans for the year were discussed with particular emphasis

Gym Scene Of Ball; Cake Walk A Feature

The annual Scholarship Ball will be held on Saturday, October 29th, from 8 p.m. until 12 p.m. in the gym at the Health and Physical Education building. This dance will consist of many square and round dances.

The Scholarship Ball is held to raise money to sponsor an overseas student at GSCW. Since there is no admission fee for the dance, students will be asked to donate money for this project.

Tini Kusumadilaga, an Indonesian student sponsored by the "Y", is not here at the present, but she will return for the winter quarter. She is now working at the United Nations in New Yodk.

The entertainment will be presented by the foreign students on GSCW campus. One of the outstanding events planned for the evening will be a cake walk, which will cost ten cents wives of the faculty and some of

the faculty members. Dr. D. F. Folger will call the square dance and Mr. Joe Specht is in charge of securing a band for the dance.

Since the Baptist - Convention will be held on campus the weekend of the dance, many of those students are expected to attend.

Education Club Plans Year, Trip

By Jean Crook

The Elementary Education Club held its first meeting of the year Thursday, October 6, at 6:35 in the Peabody Library.

The club president, Lois Turner, welcomed new and old members to the Club.

Following this event, was an interesting account of the activities and projects performed by the Club last year given by Miss Lolita Anthony, the Club Advisor. She, the officers, and members anticipate a very active group for the coming school year.

A very interesting program followed which consisted of a skit given by three freshmen and games conducted by Florette Maddox, the Club Vice-President.

The meeting was adjourned after which punch and cookies were served by the refreshment committee.

The Education Department plans to take a field trip Monday, October 17 to the District GEA Meeting in Macon. This will be very beneficial for students who are planning to teach in any of the grade levels. The group is interested in securing a large representation for this trip.

on programs and field trips.

The club welcomes all students who are interested in the broad. field of psychology. Officers for the year are: Jean Mitchell, President; Sylvia McCluskey, Vice-president; Frances Padgett, Secretary every night at taps. The week ends will meet to evaluate and criticize Treasurer; and Mary Jane Beland, Publicity Chairman.

'Of Cabbage and Kings' Our Acceptance

Thursday, Octobeer 24, 1955, will mark another impressive acceptance of the GSCW Honor Code - one of our many prides. A week before the acceptance, upperclassmen will be refreshed on the Honor Code in class meetings. During a floor meeting, freshmen will have a discussion on the code led by members of Honor Council.

The principles set forth in our Code are the basic beliefs that we, the students, feel essential to happy and successful community living. Some of these principles are exemplified in the symbols of the honor shield which Miss Mamie Padgett made for us. And for making our permanent Honor Shield, Miss Padgett, we are ever so grateful.

So Small The Days

It was one of those rushed days when every job attempted ended in failure. A news article wasn't satisfactory and more feature stories had to be found.

The afternoon had been spent in the print shop with little success accomplished in proof reading and even after this tiring task was completed, more work lay ahead

Then in the evening, a voice across the room asked if I'd like a cup of coffee, and I wearily orose to depart for the kitchen.

Upon entering the room, we were greeted by four hoppy faces—those of Nina, Mona, Agus and Ut—tthe Indonesian students. They immediately made us welcome into their intimale group, and we joined the happy four in a bowl of delicious Indonesion-styled vegetable

soup, spiced with fresh chili from Java.

As we ate, the petite home economics majors tola us of their customs and their home life. All became more relaxed and we exchanged mutual ideologies of our countries.

As we talked, my mind slipped back. I reminisced over the day's events, and then I sadly wondered what else I had missed in my life.

GSCW is proud of all her students, but she is especially of that group which is known as Student Teachers. These girls are the education majors who spend an entire quarter doing supervised teaching under typical school conditions. This quarter there are 13 student teachers and the following list contains their names, the names and locations of the school at which they will teach.

Amid a blaze of crimson spotted with purple and green, the traditional Annual Hike got underway. The group assembled at 2:15 under the lights and began snake — like trek to Bonner Park.

The first stop along the way was to pick up a sack. Thereafter, stops were made at all the food stations where hikers picked up various fruits and cookies. This process continued until all sacks were finally filled and the weary hikers arrived at Bonner Park.

Upon reaching their destination Freshmen and upperclassmen alike headed for the closest shady spot, and lost themselves in a hot bridge game. Bridge forgotten, race between Becson and Bell. Why do more college men and women smoke

VICEROYS

than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance found in delicious fruits and other edibles!

- Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
- The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered eigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
- Smokers en masse report that filtered Viceroys have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
- Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip . . . and Viceroys cost only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROYS than any other filter cigarette . . . that's why VICEROY is the largestselling filter eigarette in the world!

Wizzy says:

Gee, but I was surprised Monday! What a wonderful birthday party you Jessies gave me in chapel! To think that on Monday morning, I was so forlorn, because every single owlet had just disappeared. They hadn't even mentioned my birthday and I was sure they had forgotten that I'd been at the Owl Cove two years to the very day. Even Izzie was no where to be found. I remembered hearing her say something O'Neal, Properties; Sylvia Mcabout chapel, so I decided I'd wander over to Russell to seek comfort and sympathy under her

But I took the wrong door (I only go to chapel during Religious Focus Week) and wound up on stage. It was quiet, for even though nearly all of you were there, I couldn't see Gloria or Dallas or any of the cabinet members. Then, all of a sudden, the curtain behind me flew open, and there they were, big as life, wearing silly hats and popping balloons right and left. It did my poor heart good to hear them sing "Happy Birthday, dear Wizzie." Thanks a million, Jessies for all the presents, and for being at the partyall five hundred of you! It was the nicest, biggest party I ever saw, and my drooping spirits are entirely revived.

See you Monday-It's Religious Focus Week, and Izzy has promised to take me everywhere she Morgan, Treasurer; Betty Jean goes so I can hear the Reverend Bob Mill speak, and best of all, I can be in on the discussion group (I never miss them anyway.) Fashion's Fads

Some interesting combinations have shown up on our campus since some of you have chosen to ignore the changing weather which is typical of Indian Summer. Nothing can keep you from "sporting" your fall fashions because they're all so pretty that you're just "itching" to get ino hem I, for one, am glad because it surely is great to be able to observe the combinations without your knowing it.

I noticed that Dr. Stanford has been a very colorful figure about campus lately. His plaid tie is an eyecatcher and I believe that plaid must have been "invented especially for him. Let us see some of those plaid vests, too, Dr. Stanford! Mrs. Bowden did not escape my eyes,

either, and I'm sure most of us have seen her wearing her black tailored sailor-cut suit with a blouse trimmed in white, grey and black plaid.

Black is a very good color for fall. Don't be the last one in your "dorm" to wear it. It seems that Frances Padgett didn't want to wear black. Frances, your black skirt and your brown and white striped middy blouse are very attractive and certainly very "fallish." Let us see more of them.

McCOMMONS

Rainly weather can be dreary and tiresome but Mildred Barrett knows how to lick that problem. Her green corduray raincoat with the colored specks all over it was certainly a bright spot in the damp weather we had recently. When you know you're dressed correctly for fall, rain can't dampen your spirits.

Pat Daniel thought she could hurry from building to building on campus without getting "seen". I think everybody saw her in the cute black, blue and white plaid skirt she was wearing the other day. A black sweater completed her outfit and man, did those colors mix!

Margaret Mitchell had on a darling brown, blue and white plaid skirt with matching middy blouse, which, together make a very good style for fall.

Turquoise blue is also a beautiful fall color. Patsy Blount's new Sunday outfits, a long-torso pleated skirt in Turquoise blue with matching middy blouse and blue and white angora dickey was a striking addition to the color on our campus Sunday.

Now, that's what I like to see, so come on, all you gals and drag out those new fall clothes! Make this campus a gay place and most of all, a "show" place. Seee you again, soon, and remember — I'll be watching you!!

Freshman Music **Majors Attend** Retreat

By Carol Taylor

The old music majors have now initiated their freshmen co-laborers into their society. The retreat at Lake Laurel on September 30 was a big success. This annual event has become one of the most pleasant of our traditions.

The view of Lake Laurel on Friday afternoon was the first that most of the freshmen had had. That in itself was enough to make the trip memorable for them, but Mary Alice Summerlin, chairman for the trip and treasurer of Allegro Club, had done much careful planning to make their trip unforgettable in other ways.

Liz Weldon was in charge of recreation for the evening, but she went beyond the call of duty in providing recreation for the after- , noon as well. By nightfall, the freshmen were into the swing of things well enough to do their own recreating, which they enjoyed through the early morning hours.

Edna Marshall, Jane Henderson, and Jane Elrod helped to prepare the supper of hamburgers de luxe. The importance of Mrs. Noah in making this meal a treat cannot be overestimated. At the morning meal Dr. Noah himself was chef in charge. Did you know he cooks pancakes? And good ones! That example of his versatility is usually a surprise to the

The retreat was over after breakfast for everybody except the members of Sigma Alpha Iota. They managed to plan their year's activities on Saturday. They have arranged an interesting schedule that you will hear more about during the year.

We only wish everybody would be a music major so they could go to the lake with us next year.
